SUPPLEMENTAL DECLARATION

The undersigned, being the inventors of the above-identified application for Letters Patent, hereby make the following Declaration:

We hereby claim foreign priority under Title 35, U.S.C. § 365(b) of International Patent Application No. PCT/JP02/03417 filed April 5, 2002, which designates at least one country other than the United States.

The undersigned declare further that all statements made herein of their own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that

such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
